CHAPTER _____

An act to amend Section 20047.5 of, and to add Sections 20037.11 and 20037.12 to, the Government Code, relating to state employees, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 1458, De La Torre. State employees: memoranda of understanding: State Bargaining Units 10 and 18.

(1) Under existing law, a provision of a memorandum of understanding reached between the state employer and a recognized employee organization representing state civil service employees that requires the expenditure of funds does not become effective unless approved by the Legislature in the annual Budget Act.

This bill would approve provisions that require the expenditure of funds of the memoranda of understanding entered into between the state employer and State Bargaining Units 10 and 18, and would provide that these provisions will become effective even if these provisions are approved by the Legislature in legislation other than the annual Budget Act.

This bill would further provide that provisions of the memoranda of understanding approved by this bill that require the expenditure of funds will not take effect unless funds for these provisions are specifically appropriated by the Legislature, and would authorize the state employer and the affected employee organization to reopen negotiations on all or part of the memoranda if funds for those provisions are not specifically appropriated by the Legislature.

(2) The Public Employees' Retirement Law provides a comprehensive set of rights and benefits based upon age, service credit, and final compensation. Existing law defines final compensation variously for different member classifications and bargaining units and, in this regard, defines final compensation for a state member for the purpose of calculating retirement benefits as the highest annual average compensation earnable by the member during a designated 12-month period.

This bill would provide that final compensation for a person who becomes a state member, as specified, on or after January 1, 2007, and who is represented by State Bargaining Unit 10 or 18 means the highest annual average compensation earnable by the member during a designated 36-month period.

(3) The Public Employees' Retirement Law prescribes increased death or disability benefits to state miscellaneous members employed by the State Department of Developmental Services at the Porterville Developmental Center whose death or disability arises out of specified circumstances.

This bill would extend those benefits to state miscellaneous members employed by the State Department of Developmental Services at Canyon Springs Community Facility and Sierra Vista Community Facility, as specified.

(4) This bill would also appropriate \$23,469,000 from the General Fund and other unallocated funds for expenditure for the 2006–07 fiscal year for state employee compensation in augmentation of the Budget Act of 2006, as specified.

(5) This bill would declare that it is to take effect immediately as an urgency statute.

Appropriation: yes.
